Have other images you wish to use? It is simple to replace any of the pictures in this pamphlet. Simply double click in the Header of any page. Click twice on the image you wish to change. Images in the background might need an extra click as they are part of the background's grouped images. Keep clicking until your selection handles are around the one image you wish to replace.

Once the image you wish to replace is selected, you can either select "Change Picture" from the short cut menu, or click on "Fill" and choose the option for "Picture."

If you replace a photo with your own and it's not a flawless fit for the space, you can crop it to fit in almost no time. Just select the picture and then, on the Picture Tools Format tab, click Crop.
